PAYMENT TERMS

Our terms are net 30 from date of invoice, unless (otherwise) stated. Past due invoices are subject to finance charges.

PAYMENT METHODS

We accept Visa, Mastercard, Discover or American Express.

CREDIT APPROVAL

Orders will be processed subject to credit approval. Unless we have a signed and approved credit application on file, all orders will be held until approved or be processed by credit card. To establish an account, please fill out the PHP credit application at www.phpdistribution.com or request an application via phone and fax a completed copy and to us at 800-255-7985. If you include an order with your application, we will make every effort to process your application within 24 hours of receipt. If you require same day shipping, we suggest you pay using Visa, Mastercard, Discover or American Express.

BACKORDERS

On occasion, an unexpected surge in demand may render us temporarily short of inventory. When that happens we will automatically ship the backordered product when it arrives unless you advise us otherwise. If you prefer, we will hold your order and ship complete.

MINIMUM ORDERS

A \$3.00 charge will be added to orders of less than \$25.00.

RETURNS

Please, call for a Returned Goods Authorization Number before returning any item. This number must be clearly marked on the outside of the returned package. You may return parts and whole goods within 14 days of the purchase date without a restocking fee if in new, sellable condition (original factory package, unused, unmarked). After 14 days, returned goods are subject to a 15% restocking fee, after 30 days contact our sales dept. If determined that the goods were shipped to you in error, we will absorb the return freight, otherwise all returns must be shipped prepaid.

Non-stock special-orders may not be returned.
